

# ClubReg

.....gives you back time to spend with your students

ClubReg is an easy to use Access application. Designed originally for a dance school it is ideal for all types of clubs including gymnastics, martial arts and swimming.

## Key benefits include

- Record student details including medical information and emergency contacts
- Record exam results to monitor student profile
- Schedule class timetables
- Class attendance
- Easy class progression
- Invoice generation and monitor payment
- Reports

Making Club Registration Simple	
Students	Enrol students into classes or drop a class View and record <ul style="list-style-type: none"> <li>▪ personal details</li> <li>▪ emergency contacts</li> <li>▪ medical and confidential information</li> <li>▪ examination results (build student profile)</li> <li>▪ email</li> </ul>
Classes	<ul style="list-style-type: none"> <li>▪ maintain class lists</li> <li>▪ build class timetables</li> <li>▪ add or drop students from classes</li> <li>▪ record attendance</li> </ul>
Accounts	<ul style="list-style-type: none"> <li>▪ enter charges</li> <li>▪ make payments</li> <li>▪ check payment history</li> <li>▪ print statements</li> <li>▪ print termly invoices</li> <li>▪ build in discounts</li> </ul>
Reports	<ul style="list-style-type: none"> <li>▪ class and student reports</li> <li>▪ termly attendance registers</li> <li>▪ outstanding invoices</li> </ul>

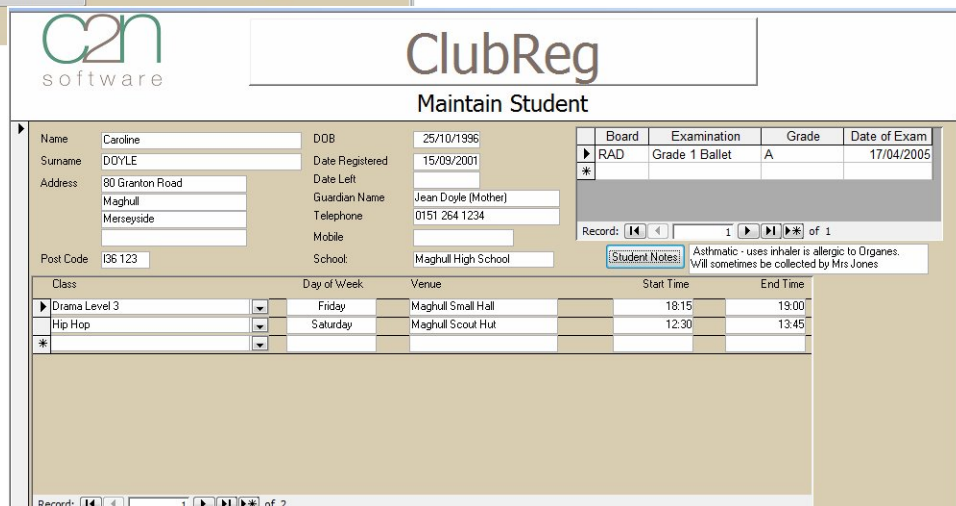

Main Menu screen

Maintain Student Screen

C2N understood my needs immediately and gave me a computer system that does everything I need and is easy to use. I can keep track of payments, classes and student profiles all on the click of a button. Working with C2N was easy because of their friendly plain talking approach.
